HOPKINSVILLE, KENTUCKY.

BEFORE ASHES HAD COOLED

The Gritty Elks Had Taken
Steps To Rebuild Their
Home.

BETTER THAN BEFORE

Meeting held Friday Night
And \$5,500 Subscribed
On The Spot.

The Elks will rebuild their Home, destroyed by fire, and the new building will be better than the old one. The location will be determined after \$10,000 is subscribed. At the meeting held in the W. O. W. hall Friday night \$5,500 was subscribed by 76 of the members present, in amounts ranging from \$25 to \$200, and committees were appointed who secured \$1,700 more Saturday. The committees were hard at work yesterday and hopeful of having the entire \$10,000 raised by the time the Lodge meets to-night. There are 280 members and there is no doubt that the fund will be raised. This with the \$7,500 insurance and the lot valued at \$10,000 will represent assets of \$27,500. To offset this there is owing on the old building \$9,500.

Some members prefer to sell the

old lot and buy another. If the old lot is used the building will be torn down and rebuilt from the ground up.

One suggestion is that the Y. M. C. A building, now in an unfinished condition, be bought.

Manager Bleich of the Princess theatre, is an Elk, and at the meeting Friday night he gave \$100 to the fund and announced that he would give the entire net proceeds of the Airdome the first week to the building fund. This additional show will be opened the last week in April. The Lodge by a rising vote extended its thanks to Mr. Bleich for his generosity. It is estimated that his donation will amount to \$500.

Averts Awful Tragedy.

Timely advice given Mrs. C. Willoughby, of Marengo, Wis. (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote, "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Carnival a Loser.

The Baseball Club pulled out of the carnival without an actual loss. The gates were thrown open the 1st day, but the shows lost money. They are in Clarksville this week with prospects for good weather.

DALTON BROS. INCORPORATE

Form \$50,000 Stock Company to Conduct Brick Business.

GEORGE DALTON, PRES.

Succeeds One of The Oldest
And Most Substantial
Firms Here.

The firm of Dalton Bros., who have been engaged in the manufacture of brick for 30 years, has been incorporated under the name of Dalton Bros. Brick Co.

The incorporators are Geo. D. Dalton, T. M. Dalton and Garner E. Dalton. The two first named have been the partners in the firm, which has from a small beginning become one of the solid and substantial business plants of the city. The younger brother who will now be associated with the business was for several years connected with the Auditor's office at Frankfort and has for the last two or three years had charge of the office of the former firm.

The new company is incorporated for \$50,000 authorized capital, with \$26,000 paid up. The limit to the indebtedness is placed at \$20,000.

The officers are Geo. D. Dalton,

President; T. M. Dalton, Vice President, and Garner E. Dalton, Secretary and Treasurer.

The business of the new corporation began April 1st, 1911.

The company will do a general business in the manufacture and sale of brick and in brick contracting, as heretofore. The growth of the business necessitated the change. The Messrs. Dalton own large real estate interests and have capital invested in many business enterprises. They represent the very highest type of Hopkinsville's progressive business men.

Do Ghosts Haunt Swamps?

No, never. It's foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since. Use this safe, sure remedy only. 50c at all druggists."

The Fiscal Court will hold its regular monthly meeting to-day.

DEMOCRATS GET TOGETHER

And Elect James A. O'Gorman, Tammany Man Senator.

LONG DEADLOCK ENDED.

Legislature Then Adjourns
Until April 17--Sketch
of Victor.

Albany, N. Y., March 31.—Supreme Court Justice James Aloysius O'Gorman, Democrat of New York City, was elected United States Senator to-night by the Legislature after the most protracted struggle over this position ever held in the Empire State. On the final ballot, the sixty-fourth, he received 112 votes to 80 cast for Chauncey M. Depew, whose term expired March 4.

At the close of a day of almost continuous negotiations the insurgents capitulated and Justice O'Gorman was elected. A few minutes before the ballot was cast Justice O'Gorman's resignation from the bench was filed at the office of the Secretary of State, as a constitutional provision would have prohibited his election while holding the office of Justice of the Supreme Court.

Wild applause marked the end of

the long contest, and the Legislature driven from the State Capitol Wednesday's fire, quickly adopted resolution adjourning until April 17.

A TAMMANY LEADER.

James A. O'Gorman has long been one of the most prominent members of Tammany Hall. Mr. O'Gorman was born in New York in 1860.
